Thinking of **you**

In 1972, Centurion Label Systems was founded to provide health care facilities with a flexible and reliable source for their labeling needs.

As a growing division of Tri-State Hospital Supply Corporation, our goal is to make it as easy as possible for you to purchase labels at the lowest delivered cost.

What do you want from **your** label source?

What do you want from your label source?

- Simplified ordering
- Consistent pricing
- Reliability
- Inventory control.

Your Centurion Label representative will want to learn about your needs so we can create a unique program to meet them. Centurion's comprehensive label management services will simplify your label ordering, pricing, and inventory control. In essence, we provide you with hassle-free label purchasing.

Your rep will take care of all the details to make your job easier – from helpful product recommendations to personalizing an ordering catalog tailored to your specific needs – your representative is the key to convenience.

flexible service

local representatives

Local stocking... nationwide

To eliminate back orders and reduce rush charges, Centurion Label Systems tracks your ordering patterns and maintains inventory of your frequently used labels at one of our many local customer service centers.

A large selection of stock items to choose from means your orders are filled quickly and easily.

large selection

Low minimums

Low ordering minimums means you can order just the exact amount you need.

Delivery options are flexible. Choose from free delivery on regularly scheduled Centurion trucks, or shipping through your prime vendor or preferred common carrier.

flexible delivery

Exclusively serving health care

Centurion Label Systems maintains a full-service tape and label conversion facility.

To offer the convenience of one-stop shopping, a large variety of materials and adhesives are available.

For custom orders, the in-house graphics department will provide design assistance and rapid turnaround on proofs.

custom designs

To ensure that every label and tape meets your expectations, quality control experts continually check your order.

A large selection of die sizes and a variety of label presses provide even greater flexibility to address all of your labeling needs.

Centurion is your **one-stop** label resource

Since 1972, thousands of health care facilities across the country have depended on Centurion Label Systems as their label provider.

With the advantages of a nationwide company and the personal service of a local representative, Centurion Label Systems is the best source for all your label needs.
