

Are you prepared for the new Medicaid prescription pad requirements?

Secure Rx papers meet Medicaid requirements!

Requirement for Use of Tamper Resistant Prescription Pads Under the Medicaid Program:

Section 1903b(i) of the Social Security Act (42 USC193b(i), paragraph (23))

(1) **Payment shall not be made** for amounts expended for medical assistance for covered outpatient drugs (as defined in section 1927(k)(2)) for which the prescription was executed in written (and non-electronic) form **unless the prescription was executed on tamper-resistant pad** (paper)

The amendments made by paragraph (1) shall apply to prescriptions executed after March 31, 2008.

Secure Rx Papers:

- Help pharmacists distinguish between original documents and unauthorized copies
- Act as a deterrent against unauthorized prescription duplication
- Implement security features that make accurate duplication impossible
- Are compatible with virtually any laser printer
- Are available in laser paper sheets and thermal printer rolls
- Meet Medicaid requirements

Our papers have multiple levels of security!

Here are just few examples:

- Unique blue background adds "erasure" protection
- A ghost watermark appears on reverse side of form
- Rx symbol drops out when photocopied
- Embedded messages such as the word VOID appear when a photocopy is made
